Roads in Ramanathapuram district

* 297 *Q.*—SRI C. SRINIVASAN : Will the Hon. the Minister for Local Administration be pleased to state—

(*a*) whether the District Development Council, (East) Ramanathapuram has sent a resolution requesting formation of several roads last year (in 1965) in East Ramnad area; and

(*b*) if so, the action taken thereon?

THE HON. SRI S. M. A. MAJID : (*a*) Yes, Sir.

(*b*) Out of 31 works mentioned in the resolution, only 18 works are included under "Other Roads". Eleven are already there in the priority list for III Plan works recommended by the District Development Council and *seven* have been proposed in the Draft IV Plan. Out of 212 works in III Plan priority lists pertaining to all Development Districts, only 11 works could be sanctioned in III Plan and the remaining works will have to be sanctioned in IV Plan period, before sanctioning the works included in IV Plan.

SRI C. SRINIVASAN : What are the eleven works that are sanctioned and what are the seven works that are not sanctioned?

THE HON. SRI S. M. A. MAJID : Only the numbers are available with me and not the names of the works.

* 298 *Q.*—SRI C. SRINIVASAN : Will the Hon. the Minister for Local Administration be pleased to state—

(*a*) whether there is any proposal to improve and lay the road from Ilayangudi in Paramakudi taluk to Maravamangalam near Kalayarkoil in Ramanathapuram district; and

(*b*) if so, whether priority will be given for this work in the 4th plan?

THE HON. SRI S. M. A. MAJID : (*a*) Yes, Sir.

(*b*) This work has been given 2nd priority in the list of new works for III Plan recommended by the District Development Council. It is likely to be sanctioned during IV Plan when 2nd priority works are considered.

SRI R. V. SWAMINATHAN : Since this road is very important and since it links my constituency of Sivaganga with the Paramakudi constituency represented by Sri C. Srinivasan, will the Government give priority to this work ?

THE HON. SRI S. M. A. MAJID : Only after the spill over works from the Third Plan are completed, works in the Fourth Plan will be undertaken.
